

# Mustang Owners Club of Austin, Texas

## Regional Chapter, Mustang Club of America

**Welcome!** You are an admirer of one of the great motorcars of our time, the Ford Mustang. This car which appeared in 1964, means many things to many people. It means beautiful styling, performance, economy, good handling, fuel efficiency, durability, ease of repair and high resale value to name a few. The Mustang is a tradition in the hearts of both young and old. We all share a common interest in admiring one of America's finest!

As a member, you will receive an email "Blast" of club activities. Such as: car shows, cruises, show and shines, meetings, social events etc. With membership, your car is eligible to be selected for "Car of the Month" recognition. Please see our website at [www.mocatx.com](http://www.mocatx.com)

**Annual Membership Dues: \$25.00**
